CANCELLATION OF FUNCTIONS AND EVENTS

Victoria Park is committed to working with our clients throughout these challenging times. As this is public health directive issued by the Queensland Government, we must comply. If your numbers or planned event is severely affected by this please contact your dedicated Event Planner to discuss options. For events wishing to cancel standard cancellation terms apply. Should you wish to postpone your event please contact your Event Planner to discuss further.

Whilst uncertainty is at an all-time high, our friendly Sales and Events team is here to chat through any questions you may have.

Please be kind to our team members and one another as we all navigate this mandate.
