SPECIALISED LESSONS

Putting lesson - 1 hour

Gain a complete analysis of your putting stroke using SAM Putt Lab, GASP and three high speed cameras. A post-lesson report will be emailed to you so you can continue your learning outside of the lesson.

From \$150 Adult / \$125 Junior

Game evaluation - 3 hours

This three hour game evaluation is split between our private short game area and Golf Learning Centre using Trackman and GASP technology for ultimate game improvement.

From \$420 Adult / \$340 Junior

2 person share - From \$230pp

Adult / \$190pp Junior

K-vest 3D lesson - 1 hour

K-vest technology measures three areas of swing movement (focusing on bend, tilts and rotation) to provide 3D biofeedback on your swing. The session covers a single club 3D assessment and biofeedback training.

From \$150 Adult / \$125 Junior

COACHING AREAS

Coaching Bays

Each top level coaching bay is equipped with three high speed cameras, Trackman, GASP video capture technology and instant replay TV screens.

Putting Studio

Located on the top level, the putting studio is a raised putting green that utilises SAM Putt Lab technology to help you refine all areas of your putting stroke.

Outdoor Short Game Area & Grass Hitting Tee

Located a short buggy drive away, these spaces allow your golf professional to teach you a wide variety of shots within 50m of a green. Shots include bunkers, pitching, chipping and putting. This area also gives you the ability to have a full swing lesson from the grass hitting tee.

TECHNOLOGY

Trackman

Trackman technology uses ground breaking golf club and ball tracking radar systems to allow our golf professionals to effectively measure your game and help unleash your potential. Trackman is used on all major professional golf tours around the world and is a key tool for learning and club fitting.

High Speed Video Capture

Our Golf Swing Analysis Software (GASP) allows our golf professionals to analyse your golf swing, providing an interactive experience and instant take home feedback through video capture.

SAM Putt Lab

SAM Putt Lab can instantly analyse a number of key performance indicators for your putting stroke. The technology can compare your putting stroke to top PGA tour professionals as well as identify your stroke type which will assist in choosing your ideal putter.

Discover all that Victoria Park has to offer

Victoria Park is also home to an alfresco Bistro with terrace seating areas, kids playground, weekend games area, 18 hole Putt Putt course, Driving Range and Weddings and Events spaces.

Victoria Park is the perfect destination for visitors of all ages!
